

A BRAND NEW LIFE

Writer: Johnathan Bond

Verse 1

I walked down the aisle at 12 years old
Did everything just like I was told
I said the words I was taught to say
Going through the motions but hurting every day

Verse 2

I carried my bible, and fed the poor
I sang in the choir lifting my hands to the lord
I had religion, the clothes, and the name
but one day at the altar all of that changed

Chorus

Now I am saved, I've been born again
I cried out to Jesus he washed away my sin
He met me where I was, took my pain and strife
He came into my heart and gave me a brand new life

Verse 3

I know there are many who sit where I've been
Knowing all about Jesus but not knowing him
If that's you I have good news today
Just take this step of faith and you can say

He will meet you right where you are, take your pain and strife
He will come into your heart and give you a brand new life
