

BE THAT ONE TODAY

I read in the good Book
A story from long ago
About 10 lepers
With nowhere left to go
They cried out to Jesus
Will you set us free
He said yes
And they were made clean

Then nine turned around
And went on their way
While one ran to Jesus
To offer him praise
He said were there not 10
But only you came back
Lord help me remember
To be more like that

I want to be like that one
Who knelt at your feet
Said thank you Lord
For all you've done for me
Then told the world
About your mercy and grace
Lord help me to be that one
Be that one today

In a fast paced world
Pulled in all directions
Help me more and more to never forget
