

### **FAMILY OF THE MONTH**

1) Prepare list of things to offer (will vary according to size of church, geographical area, size of family, age of family, etc)

\_\_\_ Apple Pie \_\_\_\_\_  
\_\_\_ Car Wash \_\_\_\_\_  
\_\_\_ Clean up landscaping \_\_\_\_\_  
\_\_\_ Pressure wash house \_\_\_\_\_  
\_\_\_ Take family to dinner \_\_\_\_\_  
\_\_\_ make dinner for family \_\_\_\_\_  
\_\_\_ etc (other ideas) \_\_\_\_\_

2) Take above list to one of the surrounding families letting them know that your church has named them FAMILY OF THE MONTH for (NEXT MONTH)

3) Have church members sign up by putting their initials on the first line

4) Ask church members to deliver the item they signed up for, then return to fill in the line after with what happened during the meeting/drop off. Example

JB APPLE PIE Husband was a work, but chatted briefly with wife and 2 kids

5) When current month is nearing an end (26th or so), ask the current family of the month if they would care to help with the next family of the month

This practice, when done properly, will help pull new families into the church, building membership. People will become new Christians, or rededicated members.
