

BUT YOU CAN

**Johnathan Bond/Joe Lee Stevens
HIS Choice Music / BMI**

VERSE 1

I want to take the highroad,
but lord it's hard.
I want to be a light to a world
that's so dark

PRE-CHORUS

Can you show me how to love like you do
Can you teach me to be more like you

VERSE 2

I need to be strong when I'm weak
learn to let go turn the other cheek

PRE-CHORUS

Can you show me how to love like you do
Can you teach me to be more like you

CHORUS

I can't love the unlovable
Can't forgive the unforgivable
I can't mend a heart that's broken
LORD, you know I'm just a man
...but you can

VERSE 3

Learning to trust when I can't see
Think more of others and less of me

PRE-CHORUS

Can you show me how to love like you do
Can you teach me to be more like you
