

# **Cries From The Cross**

Johnathan Bond / Vonda Brown  
HIS Choice Music / BMI

## **Verse 1**

On a hill called Mt. Calvary  
Wooden crosses stood tall  
Three men were doomed for death  
One was the only son of GOD  
The thief on the left mocked HIM with disgrace  
But one on the right cried out to be saved

## **Verse 2**

Roman soldiers standing guard  
there to watch JESUS die  
Some shouted out with joy  
Others fell to their knees and cried  
With nails in HIS hands, a sword in HIS side  
He cried it is finished bowed HIS head and died

## **Bridge**

What about you, when you take the time to pray  
Will you remember the words Jesus said on that day

## **Chorus**

Can you hear the cries from the cross  
As JESUS gave his life for the lost  
He said Father please forgive them  
for they know not what they do  
Can you hear the cries from the cross

He heard the words spoken from the thief to Christ. Overwhelming emotions and tears filled his eyes; as he heard the Savior reply..  
"Today you'll be with me in Paradise."
