

I'M GONNA HAVE A GOOD DAY

What beautiful day that the lord has made
I'm gonna have a good day
He Opened my eyes I see the sunshine
I'm gonna have a good day
Put my feet on the floor walk out door
I'm gonna have a good day
I get to share the love of the lord
I'm gonna have a good day

Good good good good day

1st verse:

There is not a cloud in the sky
I'm gonna have a good day
Feel that gentle breeze blowing by
I'm gonna have a good day
The Presence of the lord is all around me
I'm gonna have a good day
I'm will smile too everyone I meet
I'm gonna have a good day

2nd verse:

The Plans that God has made for me
I'm gonna have a good day
Everywhere he guides my feet
I'm gonna have a good day
Nothing will take my joy away
I'm gonna have a good day
I'll sing I'll shout and praise his name
I'm gonna have a good day
