

HE CAME TO ME

Writers: Johnathan Bond/ Bill Baker

I've made choices so many so bad
Now I'm paying for the good times I've had
Holding on to baggage with all of my might
I know I need GOD but I can't find the time

Today and old man came in off the street
He ordered coffee, but nothing to eat
I heard him pray and it sent me to my knees
When I could not go to GOD HE came to me

Chorus:

HE came to me when I could not find my way
He came to me when I needed Grace
I was down on rock bottom and HE set me free
When I could not go to GOD, HE came to me

No my life is not perfect but better than before
When I have struggles I give them to the LORD
Now HE holds my hand HE guides my steps
Theres this one time I will never forget
