## **1st Verse**

I prayed to the FATHER as I looked around for you  
Searching for that someone, a love that would be true  
I asked GOD to send me the girl of my dreams  
That special one created just for me  
And HE sent you

## **Chorus**

HE sent you, GOD answered my plea  
HIS plans were more that I could ask, greater than I could see  
HE went above and beyond, yes this much is true  
I asked for a miracle and HE sent you

## **2nd Verse**

You walked into that room and everything changed  
I knew that our steps were something GOD had arranged  
When I looked into your eyes it was real  
I asked GOD to send a love that I could feel  
And HE sent you
