

# **HERE I AM**

Writers: Johnathan Bond/Shane Lothar

Publisher: HIS Choice Music/BMI

## **VERSE**

Feeling like I'm all alone  
How'd I get so far from home  
Feeling like I've reached the end  
Where are You now  
I could use a friend

## **CHORUS**

Here I am, I'm on my knees  
I'm begging You, Help me please  
All I have It's nothing like  
What you give, You give me life

## **VERSE 2**

Feeling like I've lost my way  
How'd I fall so far from grace  
Never know which way to go  
Where are You now  
I could use some hope

## **BRIDGE**

All that I've done isn't all that I am  
With all of You living in me  
All that I want is to know that You're there  
In You I have all that I need
