

# **HE'S WITH JESUS**

**Writers: Johnathan Bond/ Michael Lee**

**Publisher: HIS Choice Music/BMI**

## **VERSE 1**

As a kid I would see him workin'  
Doin' everything he could for our family  
Never heard him grumble or complainin'  
And many times I saw him on his knees  
He would always talk to Jesus  
Told me that he was his dearest friend  
And one day he would go see him  
When his time down here came to an end

## **CHORUS**

Now he's with Jesus Finally made it home  
Went from this world below Right to God's throne  
Never more to suffer his pain is all gone  
Now he's with Jesus Finally made it home

## **VERSE 2**

Now I'm tryin hard to raise my family  
Doin my best to teach them right from wrong  
I think back to the things my daddy showed me  
Wonder if I'll ever be that strong  
But now I'm walking and talking with Jesus  
Just like dad he's my best friend  
And one day when my life is over  
I know I will see my dad again

## **BRIDGE**

I can't wait to see him when I cross Jordans Tide  
I know dad with greet me with Jesus by his side
