CHORUS

Cause He's building me, a new mansion
Making me a home, over there
I'll see my family, all my friends
In a world that will not end
I can't wait to move, to my home in Gloryland

VERSE

I can walk the streets of gold
Right by the jasper walls
I can hear the crystal river flowing by
Well the angels will be singing
All around God's throne
I'm getting closer, I can't wait, to cross over to the other side

BRIDGE

Well I'm on my way, to Canaan land
I'm on my way now, to Canaan land
I won't turn back, I won't give in
Well I'm on my way to Heaven, and let me say it again
I can't wait to move, to my home in Gloryland

TAG

I'll see my family, all my friends
In a world that will not end
I can't wait to move, to my home in Gloryland
