

# I KNOW HE CAN

Writers: Johnathan Bond/Matt Foster

Publisher: HIS Choice Music/BMI

## **CHORUS:**

I know HE can, 'cause HE did it for me  
I know HE will, HE will set you free  
If you just ask, simply believe  
I know HE can, I know HE will, 'cause HE did it for me

## **VERSE:**

You see I was broken, my world was torn apart  
Just working aimlessly, lost in the dark  
I heard the voice of JESUS when HE called out to me  
HE Picked me up, turned me around, thank GOD I'm free

## **VERSE:**

I can tell you're struggling, feeling all alone  
Everything you touch seems to go wrong  
Let me introduce you to this man from Calvary  
HE'll take your worries all away, give you victory

## **TAG:**

I know HE can...  
I know HE will...  
'cause HE did it for me
