## **VERSE 1**

LORD, can we talk a little while  
Feels like it's been a long time  
But I still remember the day you rescued me  
That day you walked into my life  
You told me I could always trust you  
You told me I'd never be alone  
I need you now

## **VERSE 2**

LORD, I'm facing another mountain  
Once, I don't think I can climb  
I know you've pulled me through so many times before  
And I now I need your healing touch again  
You told me I could always trust you  
You told me I'd never be alone  
I need you now

## **CHORUS**

You said you'd never leave me  
You said you'd always be there  
No matter what has comes my way  
You've always pulled me through somehow  
And I need you now

## **BRIDGE**

Lord you pulled Daniel from the lion/s den  
Brought the Hebrew boys from the fire  
And when you spoke the name of Lazarus he got up  
I know what you've said about me
