

# **LORD I WOKE UP THIS MORNING**

**Writers: Johnathan Bond/Bill Baker**

**Publisher: HIS Choice Music/BMI**

## **VERSE 1:**

Lord, I woke up this morning  
Sun shining bright  
Hear the birds singin  
You brought me through another night  
You know the plans you have for me  
I can't wait to see just what this day brings

## **CHORUS:**

Oh this is the day Lord, that you have made  
I will tell the world and shout your praise  
High on mountain  
In the valley low  
I'll tell of your goodness Lord everywhere I go

## **VERSE 2:**

I climbed in my truck  
To do things I gotta do  
But I can't let anything take my eyes off you  
Everywhere I go everything I say Lord, help others to see you in me today

## **BRIDGE:**

Lord, I woke up this morning  
Sun shining bright  
Hear the birds singin  
You brought me through another night  
You know the plans you have for me  
I can't wait to see just what this day brings
