

IT'S NOT OVER

Writers: Johnathan Bond/ Michael Lee

Publisher: HIS Choice Music/BMI

In my Darkest Hour, I felt so alone
No one there to help me. No one answered when I called.
I finally hit rock-bottom then I hit my knees
When I cried out to Jesus, he said he's not through with me

It's not over he's not done
They still they're still miracles could this be the one
He's not finished no, he's not through
What he's done for me I know he'll do for you
It's not over

I see you struggling fighting for your life
Smiling through the tears while you're dying deep inside
I found the answer because I've been there too
He sent me here to bring you good news
