

I'VE BEEN REDEEMED

Yes I fallen made mistakes along the way
I've Failed the lord almost every day
For so long I kept my focus on me
I was bound by sin held in captivity

2nd verse:

There are some of you who know just where I've been
Lived your life full of heartache and sin
You found yourself not knowing how to pray
Just speak the name of Jesus and you can say

Chorus:

But I've been redeemed
I've been set free
All my sins are washed away
By the blood of Calvary
You may think I'm the same ole man
As I used to be
But thanks to Jesus
I've been redeemed
