**Writers: Johnathan Bond

VERSE 1

**In my mind I see a city, with streets of purest gold,
walls made of jasper, where crystal rivers flow,
I see many many angels, all in white array,
With their hands lifted high giving Jesus praise**

CHORUS:

**Singing JESUS, JESUS,
Singing hallelujah, letting praises ring
JESUS, JESUS,
Lifting up the name of JESUS our king**

VERSE 2

**Suddenly a silence, fell on the earth
Lightening for all to see, thunder everyone heard
People of all nation had finally bowed down,
As the church began to shout, dancing all around**

CHORUS:

**Singing JESUS, JESUS,
Singing hallelujah, letting praises ring
JESUS, JESUS,
Lifting up the name of JESUS our king**

CHORUS:

**Singing JESUS, JESUS,
Singing hallelujah, letting praises ring
JESUS, JESUS,**

TAG:
