

# **LIVING THE DREAM**

Writers: Johnathan Bond/Zac Clifton

Publisher: HIS Choice Music/BMI

## **VERSE:**

I remember hearing my first song on radio  
I'll never forget my first time at the rodeo  
It's still hard to believe, I played the Grand Ole Opry  
I'm overwhelmed at just how GOD has blessed me  
And after all these years, I'm still out here living the dream

## **CHORUS:**

Living the dream, I'm living the dream  
I never knew that GOD would use someone like me  
Around the world, spreading HIS love wherever HE leads  
He's been so good to me living the dream

## **VERSE:**

There's been a time or two I could have given up  
But I found inner strength somehow when things got rough  
I'd stand up brush my knees, get right back on my feet  
Through smiles and tears the good and bad I've seen  
I overcame my fears, and I'm still here Living the dream

So if you're ever looking for me, I will tell you where I'll be  
I'll be right here, just living the dream  
Yes, I will I'll be right here, just living the dream
