

## **LORD HELP ME TO REMEMBER**

Johnathan Bond/Bill Baker  
HIS Choice Music/BMI

### **Verse 1:**

I made my way up the sidewalk, going downtown  
See a homeless man laying on the ground  
Cardboard box that he calls home  
Folks just walk on by yet he's still alone

### **Verse 2:**

I gave him my coffee, change for something to eat  
I thought about him as I went on down the street  
All my problems they seemed to fade  
I looked up to heaven and here's what I prayed

### **Chorus:**

Lord help me to always give thanks  
Never take for granted your mercy and grace  
Everything I've needed you've always supplied  
Lord help me to remember your blessing on my life

### **Bridge:**

I went back that next day  
my new friend had moved away  
that old box felt empty and cold  
I'll never forget the lesson I learned
