

MY FIRST DANCE

Writers: Johnathan Bond/Bill Baker

1 Verse:

Tiny shoes standing on worn out boots
Round and round in circles we danced, me and you
You help my hand as the wind blew my hair
A memory I will always hold, that's my prayer

Chorus:

From the day I was born you've always held me tight
Called me little girl, taught me lullabies
Though it's true I'm holding another mans hand
But Grandpa, you will always be, my first dance

2 Verse:

You smiled on me like GOD's love from above
Always there through life's push and shove
I never had to wonder if you cared
'cause everytime I look around you are always there
