

MY LIFE'S STORY

Writers: Johnathan Bond/ Bill Baker

Publisher: HIS Choice Music/BMI

I could tell you a story about Willie & Waylon
Sing you an old Geroge Jones Tune
Maybe line dance with Dollie back at the Opry
But I would rather share JESUS with you

Chorus:

Amazing Grace that's my life story
The old rugged cross made a way
I once was lost in sin but I've been born again
What a friend I have in JESUS today

I don't sing those sad songs
Somebody done somebody wrong
I can't quite my nine to five
On the weekend I tune in to WSM keeping Country Gospel alive

Bridge:

I love rose covered glasses, teddy bear too
But nothing beats an old song from the pew
