

NOT WHO I AM

Writers: Johnathan Bond/Michael Lee

Publisher: HIS Choice Music/BMI

VERSE:

Well I read it in the Bible about a man called Legions
Bound by chains and full of demons
Then one day he met Jesus
It turned his world around
God picked him up, sent his feet there on holy ground (he said)

CHORUS:

That's who I was not who I am
I've been changed. I've been washed by the blood of the lamb.
No longer that man are used to be
That's who I was not who I am

VERSE:

I remember my life bound by darkness
Lost in this world full of myself
One day I heard of Jesus how he gave his life for me
No, I'm not that same man thank GOD I've been set free
