

NO GREATER LOVE

Writers: Johnathan Bond/Michael Lee

Publisher: HIS Choice Music/BMI

Verse 1

HE left HIS home in heaven a million miles away
With no place to lay his head except a pillow of hay
HE knew before HIS birth that HE would be sacrificed
On a cross HE would die so that I could have life

Chorus:

No greater love has ever been known
Then a man lay down his life for his own
No greater love you will ever see
Then the love that GOD has given me

Verse 2

When HE came into my life and set my spirit free
HE opened up my eyes so I can see
HE broke the chains of bondage that held me deep within
HE cleansed me with HIS love washed away my sin
