CHORUS

I say "Oh, my Lord!" Look what's He's done
Let me tell you Where He brought from
He picked me up when I was down Turned my world around
I said "Oh my Lord, oh my Lord Look what He's done"

VERSE 1

I came to testify about God's grace
How the Lamb of God, washed my sins away
I'll shout it from the mountains, let everybody know
They're gonna hear about Jesus everywhere I go

VERSE 2

I was lost in this world full of sin
But then one day Jesus pulled me in
I thought my life was over, I was blind and could not see
But when I called out to Jesus, He set me free

BRIDGE

Sing it with me now, oh my Lord
Oh my Lord (crowd)
Oh my Lord
Oh my Lord (crowd)
Oh my Lord
Oh my Lord (crowd)
Oh my Lord
Oh my Lord (crowd)

TAG
