

# **ON MY KNEE'S**

Writers: Johnathan Bond/Zac Clifton

Publisher: HIS Choice Music/BMI

## **VERSE 1**

Living in a world, full of pain  
Everywhere I look skies turned grey  
It always hard to smile, when things don't go my way  
But when I find it hard to stand, I kneel to pray

## **CHORUS**

I always talk to Jesus on my knees  
I cry, Lord I need Your touch Would you rescue me  
Can't do it all by myself I surely need Your help  
Yes, I always fight my battles On my knees

## **VERSE 2**

Have you found yourself fighting, all alone  
Struggling to make it on your own  
I've been right where you are, when everything was going wrong  
But let me tell how I learned, to be strong

## **TAG**

Can't do it all by myself  
I surely need Your help  
Yes, I always fight my battles  
On my knees  
I love talking to Jesus  
He's there for every need

Yes, I always fight my battles On my knees
