

## **The Day You Called Me Friend**

**Writers: Johnathan Bond & Hilbert Gavel**

**Publisher: HIS Choice Music / BMI**

### **Verse 1**

I have been humbled, yes brought to my knees  
When no one else was there Lord, you were here for me  
I needed healing, you taught me to believe  
Because of your love Lord, I have been set free

### **Chorus**

Your Grace saved me, took away my sin  
Your Mercy amazed me, gave me peace deep within  
Your Joy filled me, I will never be the same again  
Your Love changed me, the day you called me friend

### **Verse 2**

I surrendered, you washed my sins away  
You rescued me, when I called out your name  
I cried out for mercy, you answered my plea  
I'm never letting go, Lord please hold on to me
