

# **POWER IN HIS NAME**

Writer: Johnathan Bond  
Publisher: HIS Choice Music/BMI

## **Verse:**

The woman pressed through the crowd in so much pain  
She knew if she could reach the LORD she'd never be the same  
By faith she reached JESUS her life was surely changed  
She knew that there was power, power in HIS name

## **Verse:**

I too one day was dying sinking in despair  
It seemed I had nowhere to go, except on my knees in prayer  
Then I spoke the name of JESUS HE took my sins away  
I seen there's still power, power in HIS name

## **Chorus:**

Well I believe there is power in HIS name  
I believe there's healing in the same  
HE said ask you shall receive if you'll only believe  
I believe there is power in HIS Name

## **Bridge:**

JESUS, JESUS, JESUS  
I believe there is power, power in HIS name  
I believe there's still power in HIS name
