Verse 1

I heard about a man named JESUS
Who left HIS home above
To come to this world below
Spreading Hope, Peace, & Love
I wondered why HE came so far
From where HE grew up
Then I heard a preacher say
HE came for me

CHORUS

It was me, It was me
JESUS came to rescue me
HE turned my night into day
Washed all of my sins away
It was me

Verse 2

And now you've heard about my friend
And all that he has down
How HE turned my world around
Gave me life when there was none
Maybe you're wondering if
HE loves you the same
I hope you realize
HE does so you can say...
