Writer: Johnathan Bond / Arthur Strout

## **Chorus:**

I've come to sing you a song about JESUS  
All about HIS Goodness and Grace  
JESUS my refuge, my healer, my provider  
JESUS my redeemer my friend

## **1st VERSE:**

Im sure you've heard about that man that was in the ground four days,  
JESUS spoke HIS name and Lazarus was raised  
What about the woman at the well and all of her sinful ways  
she was bound straight for hell but JESUS offered her Grace

## **2nd VERSE**

She had an issue of blood dying from a disease  
she pushed through the crowd one day and JESUS set her free  
A man back in bible days was born without sight  
but he saw a miracle when JESUS opened his eyes.
