## **CHORUS:**

Run to HIM tell HIM what you need  
Run to HIM GOD will set you free  
You don't have to stay there all alone  
Don't you know that GOD's still on HIS throne  
Give your heart to JESUS, Run to HIM.

## **VERSE:**

I was living a life of heartache so many mistakes  
Standing at the crossroads wondering which way should I take  
Everything had thing turned out wrong I could not find my way  
at my lowest moment I heard that preacher say.

## **VERSE:**

Have you been walking through this world of trouble. Always going the wrong way. Wondering why it's such a struggle. Every hour of every day. God brought me here to say. Don't you be afraid. He's there for you. You're never too far away.

## **BRIDGE:**

The spirit of the LORD is here to heal the broken hearted  
The spirit of the LORD is here to set the captive free
