

# **STRENGTH TO CLIMB**

**Johnathan Bond/David Chaffin**

**HIS Choice Music/BMI**

## **1ST VERSE**

As I look straight ahead  
Dark clouds are hanging low  
The sun is going down  
Not sure how far I can go  
But then I'm reminded  
About that small mustard seed  
And how I will never fail  
When faith rises up in me

## **CHORUS**

(YES) I'm facing a mountain  
I'm sure I can climb  
I've walked through many valley  
Time after time  
I'll just continue to trust the one  
Who has kept me all the way  
I thank God for every mountain  
And strength to climb each day.

## **2nd verse:**

If you're struggling with a battle  
Just can't see away through  
Feel the storms of life raging  
Waves crashing around you  
Friend I am here to tell you  
GOD will set you free  
Don't stay focused on your storm  
Look to HIM and believe
