

## ***THANKS FOR BEING JESUS (JESUS TO ME)***

*Writers: Johnathan Bond/Zac Clifton*

*Publisher: HIS Choice Music/BMI*

### **VERSE:**

I see you standing there  
and I know what you've been through  
I love how you've trusted God,  
when the skies weren't always blue  
You could have walked away,  
but you stood true

### **CHORUS:**

You give me hope,  
you give me strength  
You help me to believe  
with God's grace I can overcome anything  
You've been my light  
when times were dark  
a shoulder to lean on  
A friend like I've never known  
Thanks for being Jesus to me

### **VERSE:**

I wanna follow in your steps  
trust God just like you  
Be a Helping Hand to others  
and love them like you do  
And one day I hope to hear  
these words too
