VERSE 1

At 5 years old I stole a pack of chewing gum
My mother made me tell them what I had done.
Then at 12 caught cheating on a test in school
Dad sat me down made me do what I needed to do.

VERSE 2

At 16 starting to drive went by my own rules
I no longer needed anyone telling me what to do
But when I took a curve too fast and ended up on my side,
it was my parents who rescued me in the darkness of night

CHORUS:

Thank God for parents who showed me right from wrong
Thank God for parents who prayed over our home
They taught us every day, no matter what may come our way
We will make it through when we follow GOD and pray

VERSE 3

Later down the road I'm building a family of my own
four little kids and a wife make up my home
Lord Help me be the dad I know I should be
Always letting them see you in me
