

WHEN I PRAY

Johnathan Bond/Bill Baker
HIS Choice Music/BMI

VERSE:

I play with crayons and coloring books
hug my teddy bear when I'm alone in the dark
I have a nightlight that keeps the monsters under the bed
I know that to some, I'm just a kid

CHORUS:

But when I pray GOD hears each word I say
When I talk to him I will call out your name
I know you are struggling but GOD has a better way
Things always change when I pray

VERSE:

I can't pretend that I never fail
that I don't have problems or never will
I do love GOD and I love you, too
I don't have much to offer, this is true

TAG:

I read in the bible the power I have
to move mountains if I only ask
