## Verse 1:

JESUS said HE's gone away to build a better land  
One Full of Joy, Beauty, and Praise  
Walls of Jasper, Streets of Gold, so much more that we don't know  
But can you stop to think about what won't be there

## Chorus:

It's a place where there's no heartache, no pain, no sorrow  
No tears, they will all be wiped away  
No darkness, no death, no separation  
That's just a few of the things that won't be there

## Verse 2:

When you turn on the news all you hear is darkness and gloom  
Pain and sorrow, problems on every hand  
But one day we will see that land built for you and me  
What a beautiful day when we all get there
