

# **WHEN JESUS PRAYS**

**Writer: Johnathan Bond**

**Publisher: HIS Choice Music/BMI**

## **VERSE:**

I can tell you're in a battle fighting for your life  
You smile through those tears as though everything's alright.  
You're wondering if you're all alone but friend I have good news  
JESUS is with the father interceding for you

## **CHORUS:**

Satan has desired to sift you of wheat  
But JESUS, HE's praying that your faith will not get weak  
No matter how hard the wind blows or how high the waves  
Satan doesn't stand a chance when JESUS prays

## **VERSE:**

Down through all the ages story's are still the same  
For everyone who believes and has called on HIS name  
Just keep your eyes on JESUS, trust HIS word is still true  
Like HE's done many times before HE will pull you through

## **BRIDGE:**

You can have courage You can have hope  
Let me remind you you're not alone  
Don't be defeated you don't have to give in  
You've found a Savior HE's your faithful friend
