

## YOU LOVE ME ANYWAY

Johnathan Bond / HIS Choice Music / BMI

Joe Stevens / Osanippa Music Pub / BMI

sometimes I'm weak when I should be strong  
pretend I'm right, when I know I'm wrong  
I try to stand tall, but fall flat on my face  
you love me anyway you love me anyway.

on this old road I get so tired  
of burning bridges and starting fires  
and I know you can see the mess I've made  
but you love me anyway you love me anyway

you never run you never leave  
you never turn give up on me  
you're always there, everything I need  
It's your amazing grace  
you love me anyway You love me anyway

when I'm lonely I'm not alone  
when I'm lost you lead me home  
when I'm broken and can't find the words to say  
you love me anyway you love me anyway
